

Press Release—for Immediate Publication

Versatile, on-trend, portable EASEL WEAVER, new from Schacht Spindle Company Warp, Weave, Display

The new **EASEL WEAVER** from Schacht Spindle Company embraces the trend in tapestry weaving. Available in 3 compact sizes, the Easel Weaver is so easy to use and is perfect for all kinds of creative weaving techniques. Adjust the unique kickstand to just the right position for comfortable weaving or tuck it away in the center brace slot to weave in a lap or flat on a table where the rubber feet keep it stable. Sturdy, no-slip plastic teeth keep warp threads in place and can be set at 6 or 12 ends per inch. The versatile Easel Weaver is perfect for any classroom setting, small weavings, and take-along projects.

Love the finished piece of woven art? Simply leave it on the Easel Weaver. Pop out the uniquely incorporated kickstand and find the perfect spot to show it off.

- 3 sizes - 6", 8", and 10".
- Position the adjustable, unique kickstand for comfortable weaving
- Kickstand tucks away into center brace
- Rubber feet for stable tabletop weaving
- No-slip sturdy plastic warp teeth can be set at 6 or 12 ends per inch
