

Weave

The combination of Anzula's hand-dyed luxury yarn in the Denim colorway and the simple design of this scarf create the perfect blend of casual and decadence. The fringe treatment adds a subtle element - not unlike the frayed edge of your favorite well-worn jeans.

WEAVING

The majority of the scarf is woven with the Fil Royal #3509 (gold color). Start by leaving at least 6" of warp for fringe and for joining the pompoms after weaving.

When you weave your first row, leave a tail 4 times the width in the reed for hemstitching. Weave three picks then beat them back to compact them together and hemstitch. For instructions on hemstitching visit

www.schachtspindle.com, click on "Yearning to Spin and Weave" link, then select issue 2.

Weave as follows:

- 28 picks with the main color (gold).
- Border plaid: 2 rows Timidity, 3 rows gold, 2 rows blue (Fil Royal), 3 rows gold, ending with 2 rows of Timidity.
- Weave 60" with gold.
- Repeat the plaid at the other end of the scarf and then finish with hemstitching.

FINISHING

Wash by hand in very warm water. Gently agitate the fabric as you wash and squeeze out. Place in the dryer on low with a towel for 15 minutes or until dry, watching carefully. Press using low setting. make 6—2" pompoms. We made 3 pompoms with both colors of the Fil Royal and 3 pompoms using all three yarns. Separate the fringe into 3 sections per end and tie together with Timidity at the bottom of 3 ½ inches. Sew on the pompoms. There are many resources on the web for how to make pompoms.
