

Weave

The weft floats in this scarf give it a lot of texture and bounce! You'll enjoy the waffle effects caused by the alternating float pattern and the depth of color the weave structure gives to the cloth.

YARN

Lorna's Laces Shepherd sport weight yarn.

FINISHING

After cutting the weaving off the loom, make a twisted fringe on both ends. For twisted fringe instructions, please see schacht-spindle.com 'Yearning to Weave' Issue Two. Wash the scarf in very warm water and lay flat to dry. If further fulling is needed, rewet the scarf and place in the dryer on tumble with towels, checking the fabric frequently. When the fabric has fullled to the desired hand, remove from dryer and lay flat to dry. Steam press.
