

Pale Blue Fringed Pillow

Designed by Jane Patrick

Difficulty Level: Easy

Equipment: Schacht 15" Cricket Loom , 1 -15" stick shuttle.

Warp Yarn: Arbor from Brooklyn Tweed, DK weight in Treehouse, 2 skeins, 145 yards per skein.

Weft Yarn: Arbor from Brooklyn Tweed, DK weight, 1 skein each of Dorado and Rainier, 145 yards, per skein.

Warp length: 56" which includes take-up and 18" loom waste.

Width in reed: 15"

E.P.I.: 8

Total warp ends: 118

Total yardage needed: 185 yards

PPI: 8 (1 skein is perfect for this project). If you beat more than 8 ppi or weave longer, you'll need another skein of Dorado.

Weaving: Use Dorado for the plain weave. Use Rainier doubled for the ghiordes knots. Weave 1" of plain weave. Tie the first row of ghiordes knots. It is important to begin at the correct place, as this first row of knots sets up the remainder of the rows. Using the key, make a row of knots following pattern A, weave 4 rows of plain weave, and then make a row of knots following pattern B. Weave 4 rows of plain weave and repeat.
